Existing law requires those business enterprises to submit certain information under penalty of perjury.

small business or a disabled veteran business enterprise to—file with submit to the department a written declaration, under penalty of perjury, that all information submitted, including the additional information for disabled veteran business enterprises, is true and correct, and would authorize the department to require, in certain cases, the enterprise to complete and submit to the department a specified federal tax form under certain circumstances requesting a transcript of a tax return. By expanding the definition of the existing crime of perjury, this bill would impose a state-mandated local program.

This bill would provide that no reimbursement is required by this act for a specified reason.
